License/Certificate Number: 169147

*Subject: Second Year Fee Required*

You have passed the required examinations to receive a valid pest control license or certificate.

**Your license or certificate is only valid until December 31, 2025.**

DPR license and certificates are issued on a two-year cycle, based on the last name of the applicant (see table below). Since your last name is not due to renew until next year, you must submit an additional fee to cover the second year of your new license or certificate. If this fee is not paid, your license or certificate will expire, and you will need to re-examine.

**Second Year fee that is owed:**

Your Certificate/License Type	Fee Required
Pest Control Adviser (PCA)	\$160.00

Please make checks payable to "Cashier, Department of Pesticide Regulation. A cashier's envelope is enclosed for your convenience. **Include this letter with your payment and mail to:**

**To:** kyle@lassenfiresafecouncil.org  
**Subject:** PCA Application #169147  
**Attachments:** Kyle Herron Course Worksheet.pdf

Hello Kyle Herron (Candidate #169147),

Your PCA application and documents have been received and reviewed.

You are short courses to qualify for the PCA exams, but you may be able to use work experience in lieu of some courses. Please see attached course work sheet.

You may use work experience in place of classes. Work experience must be 12 months of fulltime work, related to *Pest Management Systems and Methods* and/or *Production Systems*. You may use a total of 36 months of fulltime work experience for a total of 9 semester or 13.5-quarter units in the categories listed below:

- 12 months of fulltime work experience for 3 semester or 4.5 quarter units in the *Pest Management Systems and Methods* category.
- 12 months of fulltime work experience for 3 semester or 4.5 quarter units in the *Production Systems* category.
- 12 months of fulltime work experience for 3 semester or 4.5 quarter units in the *Electives* category.
- Work experience may NOT be used in the *Physical and Biological Sciences* or *Crop Health* categories

We would need documentation such as a letter from the employer/supervisor outlining the job duties as it relates to the core categories (*Pest Management / Production Systems*), approximate hours per week, length of employment, and a way to contact the person writing the letter in case we have questions.

If your work letters are received and approved, we will need some additional information/documents to complete the application process.

- As of January 1, 2024, the updated PCA application (form LIC-084) is required.
- As of January 1, 2024, a minimum age of 18 years old must be met prior to admission.
- A payment of \$80 was received. The payment due for this application is a total of \$180.

Once your work experience has been approved, please submit the following together by mail:

1. The updated PCA application (form LIC-084)
2. A copy of your government-issued documentation showing your date of birth.
3. Remaining \$100 payment for exam fees.

Department of Pesticide Regulation  
Attn: Licensing and Certification Program MS 4A  
PO Box 4015  
Sacramento, CA 95812-4015

P.O. Box 1379,  
Sacramento, CA 95812

Re: Kyle Herron work experience

Kyle Herron worked for me as a reforestation specialist from July 2021 to July 2022. This was a full-time salaried position with an average work week of 50 hours. His job duties included all aspects of successful conifer plantation establishment and maintenance on Company timberlands. Specifically, this involved identifying competing vegetation and pests, working with a Pest Control Advisor to develop recommendations for herbicide spraying, administering contracts for spraying and mechanical vegetation control, and field surveys to determine treatment needs and efficacy.

Please contact me at [mpustejovsky@spi-ind.com](mailto:mpustejovsky@spi-ind.com) or (530) 604-6662 if you need additional information.

Sincerely,

[Redacted Signature]

## Recognition of Pesticide Work Performed

To: California Department of Pesticide Regulation  
P.O. Box 1379,  
Sacramento, CA 95812

### **Pest Control Advisor Examination**

To whom it may concern at the California Department of Pesticide Regulation, this letter is regarding the employment of Kyle Allen Herron in a field that performed work in production systems. These activities include the mechanical and chemical site preparation for conifer growth on industrial timberlands. Kyle has worked on numerous projects that involve integrated pest management activities across Shasta County. FWS Forestry hopes that this letter may help provide Mr. Herron with the qualifications needed to move forward in the examination process.

Time of service under supervision:

Landvest start date April 8<sup>th</sup>, 2020 – December 14<sup>th</sup>, 2020

FWS Forestry December 14<sup>th</sup>, 2020 – June 23<sup>rd</sup>, 2021

*April 8 2020 -  
June 2021*

Thank you for your consideration,

Sincerely :

Clayton Code

## Recognition of Pesticide Work Performed

To: California Department of Pesticide Regulation  
P.O. Box 1379,  
Sacramento, CA 95812

### **Pest Control Advisor Examination**

To whom it may concern at the California Department of Pesticide Regulation, this letter is regarding the employment of Kyle Allen Herron in a field that performed work in production systems. These activities include the mechanical and chemical site preparation for conifer growth on industrial timberlands. Kyle has worked on numerous projects that involve integrated pest management activities across Shasta County. FWS Forestry hopes that this letter may help provide Mr. Herron with the qualifications needed to move forward in the examination process.

Time of service under supervision:

Landvest start date April 8<sup>th</sup>, 2020 – December 14<sup>th</sup>, 2020

FWS Forestry December 14<sup>th</sup>, 2020 – June 23<sup>rd</sup>, 2021

Thank you for your consideration,

Sincerely :

Clayton Code  
FWS Forestry

RE: Pest Control Advisor Examination Applicant Kyle Herron Employment

To whom it may concern at the California Department of Pesticide Regulation,

this letter is regarding the employment of Kyle Allen Herron in a field that performs integrated pest management activities. These activities include the mechanical and chemical site preparation of over 1,500 acres for the Hog, Sheep, and Dixie fire reforestation projects. Kyle Herron has coordinated chemical applications around Westwood Middle School and has been successfully inspected by Lassen County Agricultural Commissioner's office. Kyle has worked on numerous projects that involve integrated pest management activities and continues to perform projects in multiple counties on both industrial and non-industrial forestlands. Lassen Fire Safe Council hopes that this letter may help provide Mr. Herron with the qualifications needed to move forward in the examination process.

**Recognition of Pesticide Work Performed**

Employment dates August 8 2022 – Current  
16 Months of experience in integrated pest management

Sincerely,

Cade Mohler  
RPF #2986  
Managing Director – LFSC

We are active participants in FIREWISE Communities USA procedures.

# Sierra Pacific Industries

Forestry Division • P.O. Box 496014 • Redding, California 96049 • (530) 378-8000

May 2, 2024

To: California Department of Pesticide Regulation  
P.O. Box 1379,  
Sacramento, CA 95812

Re: Kyle Herron work experience

Kyle Herron worked for me as a reforestation specialist from July 2021 to July 2022. This was a full-time salaried position with an average work week of 50 hours. His job duties included all aspects of successful conifer plantation establishment and maintenance on Company timberlands. Specifically, this involved identifying competing vegetation and pests, working with a Pest Control Advisor to develop recommendations for herbicide spraying, administering contracts for spraying and mechanical vegetation control, and field surveys to determine treatment needs and efficacy.

Please contact me at [mpustejovsky@spi-ind.com](mailto:mpustejovsky@spi-ind.com) or (530) 604-6662 if you need additional information.

Sincerely,

[Redacted Signature]

Mark Pustejovsky [Redacted]

Reforestation Manager  
Northern Sierra Area  
PCA#71540

**Please see attached requested documents for Candidate #169147 for the Pest Control Advisor Exam**

Hello Kyle Herron (**Candidate #169147**),

Your PCA application and documents have been received and reviewed.

You are short courses to qualify for the PCA exams, but you may be able to use work experience in lieu of some courses. Please see attached course work sheet.

You may use work experience in place of classes. Work experience must be 12 months of fulltime work, related to Pest Management Systems and Methods and/or Production Systems. You may use a total of 36 months of fulltime work experience for a total of 9 semester or 13.5-quarter units in the categories listed below:

- 12 months of fulltime work experience for 3 semester or 4.5 quarter units in the Pest Management Systems and Methods category.
- 12 months of fulltime work experience for 3 semester or 4.5 quarter units in the Production Systems category.
- 12 months of fulltime work experience for 3 semester or 4.5 quarter units in the Electives category.
- Work experience may NOT be used in the Physical and Biological Sciences or Crop Health categories

We would need documentation such as a letter from the employer/supervisor outlining the job duties as it relates to the core categories (Pest Management / Production Systems), approximate hours per week, length of employment, and a way to contact the person writing the letter in case we have questions.

If your work letters are received and approved, we will need some additional information/documents to complete the application process.

- As of January 1, 2024, the updated PCA application (form LIC-084) is required.
- As of January 1, 2024, a minimum age of 18 years old must be met prior to admission.
- A payment of \$80 was received. The payment due for this application is a total of \$180.

Once your work experience has been approved, please submit the following together by mail:

1. The updated PCA application (form LIC-084)
2. A copy of your government-issued documentation showing your date of birth.
3. Remaining \$100 payment for exam fees.

Department of Pesticide Regulation  
Attn: Licensing and Certification Program MS 4A  
PO Box 4015  
Sacramento, CA 95812-4015

**Please see attached requested documents for Candidate  
#169147 for the Pest Control Advisor Exam**

Hello Kyle Herron (Candidate #169147),

Your work experience is approved.

DPR's Licensing and Certification Program does not accept any applications or payments via e-mail, fax, or over the telephone.

Please submit the following together by mail:

1. The updated PCA application (form LIC-084)
2. A copy of your government-issued documentation showing your date of birth.
3. Remaining \$100 payment for exam fees.

Acceptable forms of payment include checks, money orders, or the Visa/MasterCard credit information form. Please make payable to "Cashier - DPR" and mail with your documents to:

Department of Pesticide Regulation  
Attn: Licensing and Certification Program MS 4A  
PO Box 4015
